To: GCAA Associate Members
Subject: **2018 Management Workshop - Call for Papers**

The planning for the 2018 Management Workshop has started. The meeting will be held on February 27 & 28 at the Cobb Galleria.

The theme for the 2018 Workshop is – “Road Map to Success”.

On Wednesday, February 28, we plan to have openings for a total of 8 presentations. These presentations should provide insights on new technology applications for quarry operations.

As GCAA members, you are provided the exclusive opportunity to make a presentation at the workshop. **You will make one presentation to all attendees with 30 minutes allotted for presentation and Q&A.** (Draft workshop schedule is attached).

Presenters are expected to keep topics generic but recognize references to specific technology may be needed. Papers will be selected that best support the theme adopted for this workshop and address current operational issues. These issues include the following areas:

1. The Use of IT and Technology to Allow Plant Managers and Supervisors to have better visibility that are Cost Effective with “Out Data Overload”
2. Advances in Technology to aid in Productivity, Safety and Health, and Environmental.
3. Advanced Training Methods to aid in training the New Generation of Miners.
4. Use of “App’s” in the Industry.
5. Examples of How Other OEM’s Attract, Train and Retain Good Employees that could be applied to the Aggregates Industry.

You must submit the attached form to us by **no later than September 5, 2017.** You will be informed in late September whether your paper has been accepted. All information must be typed and sent by emailed to lindamoore@gcaa.org.

A copy of this information will also be available to download on the GCAA website at www.gcaa.org

We look forward to your participation in the 2018 Management Workshop.

Regards,

Jeff Wansley
Executive Director
