The annual GCAA Golf Tournament was held on October 4 @ the Windermere Golf Club in Cumming, GA. It was an outstanding success! The weather was fantastic and GCAA members had a great time while raising funds for scholarships for students and funds to support elected officials. This year we exceeded our goals. We had 137 golfers in the tournament and raised a record \$36,500.

Special thanks to our Sponsors:

Breakfast – Esco Corporation; GCR Tires and Service; Orica USA; Paschal Associates and PHOENIX Process Equipment

Lunch – Aggregates USA; Bluegrass Materials; Columbus Quarry; Hanson Aggregates; Junction City Mining Co.; Martin Marietta; Midsouth Aggregates; Stephens Industries Vulcan Materials

GCAA participated in the recent NSSGA legislative and policy forum in Washington, DC. This conference was an excellent way to discuss issues of importance to the aggregate industry and then relay those messages to members of Congress on Capitol Hill. Infrastructure funding and regulatory reform were key topics that GCAA and our member companies carried to the Georgia Congressional delegation. **Martin Marietta, Bluegrass Materials, Vulcan Materials and Oldcastle/MidSouth Aggregates** were several member companies represented at this forum.
