Subject: CALL FOR PAPERS - 2020 Management Workshop & EXPO

The planning for the 2020 Management Workshop & EXPO has started. The meeting will be held on February 19 & 20 at the Cobb Galleria.

The theme for the 2020 Workshop & EXPO is – “Building Our Future”.

On Thursday, February 20, we plan to have openings for a total of 6 presentations. The conference and EXPO will be placing an emphasis on “the future” and “future technologies” that will move our industry forward. Please focus on those elements when considering your presentation.

As GCAA members, you are provided the exclusive opportunity to make a presentation at the meeting. You will make **one presentation** to all attendees with **30 minutes allotted for presentation including Q&A.**

Presenters are expected to keep topics generic but recognize references to specific technology may be needed. Papers will be selected that best support the theme adopted for this workshop expo and emphasize future technologies.

To be considered, you must submit the attached form by **no later than September 13, 2019.** You will be informed in late September whether your paper has been accepted. All information must be typed and sent by emailed to lindamoore@gcaa.org.

A copy of this information will also be available to download on the GCAA website at www.gcaa.org

We look forward to your participation and attendance at the 2020 Management Workshop & EXPO.

Regards,

Jeff Wansley
Executive Director
