March 12, 2025

To: GCAA Member:

Enclosed you will find promotional material for the GCAA Foundation Scholarship Program. Included are the 2025 Scholarship Application and a list of the required documents.

An outline of the program and an informational flyer are provided for your internal use. The application package consists of a cover letter and the application form. This package should be provided to the applicant.

The scholarship program is available exclusively to students whose parent or guardian have been employed by a GCAA member company with at least one year of continuous service and domiciled in Georgia.

Scholarship selections are made by the GCAA Foundation Board of Directors that make final determination of scholarship awardees.

**Completed applications must be electronically to luramcadam@gcaa.org by April 14, 2025.
Attn.: Lura McAdam – GCAA Scholarship Foundation**

Please contact the GCAA office at 703-597-1571 if you have any questions.

Sincerely,

Jeff Wansley Executive
Director

cc: HR Manager

GCAA Foundation

2025 Scholarship Program Guidelines

1. The scholarship program is available exclusively to students whose parent or guardian have been employed by a GCAA member company with at least one year of continuous service and domiciled in Georgia.
2. Students who are currently enrolled (or will be enrolled) in a two-year, four-year or technical college program. They must not have previously been awarded a GCAA Foundation scholarship.
3. Scholarships are paid directly to the school upon proof of enrollment. If award is sent to designated school and awardee does not attend school, the school will be contacted and request made to return funds.
4. The Sonya Machemehl Award is available to a female student seeking an engineering or science degree. This is a \$2000 award with Vulcan matching the donation made by Charles Machemehl.
5. Eligibility is based on scholastic achievement with an emphasis on community involvement demonstrated in an essay not to exceed 500 words. An emphasis may be placed on students that are pursuing engineering or science degree.
6. An application form is distributed to all member companies. Scholarship application include the following items:
 - GCAA Application
 - High School Transcripts
 - Essay on aspiration goals
 - Outline of community and school activities
7. A minimum GPA is not required but may be considered in final selections.
8. The GCAA Foundation Board members will determine the final awards.
